

## VACCINATION VERIFICATION

The Board of NCJW BCS is planning for some in-person meetings and programs. Watch for your monthly *Council Connections*, our website or your email in-box for confirmation whether Board Meetings, General Meetings and other programs will be held in-person or on Zoom.

To provide a sense of security and safety for our membership and our community and for in-person programs and events, while being cognizant of the increase of COVID infections due to the Omicron variant, we have established protocols that were originally established by Temple Emeth's Board of Trustees.

**This policy will apply to all NCJW BCS meetings held at Temple Emeth and all NCJW BCS events and programs held at other locations. This includes transportation as part of a sponsored event/trip.**

**Therefore, for all NCJW BCS in-person meetings and programs all members/attendees must wear masks, show proof of vaccination and booster, and respect social distancing.**

When volunteering at NCJW BCS's community service programs, NCJW BCS members and/or volunteers must abide by the policies of the agency where the volunteering occurs.

This policy will periodically change in accordance with Temple Emeth's policies and NJ state mandates and/or recommendations.

Thank you for your cooperation. We look forward to getting together safely in-person once again.
